

# MOVING FORWARD TOGETHER: OUR COMMITMENT TO THE COMMUNITY

Marr Development has been in your neighborhood for 31 years, so we understand the hardship that the current situation is causing our families, friends, and community. While the last two months have been a challenge, it appears that there is now an end in sight. **We want to thank the local and state first responders, medical professionals and support staff, retail workers, food service employees, and every other essential employee that has kept our community safe.**

Because of their efforts, we are excited to announce that Marr Development will resume construction activities at all our job sites on May 4th. **We will also resume activity related to home renovation and improvements, home and lot sales, heating / air conditioning repair and installation, and residential and commercial cleaning services,** including new protocols to address current concerns. We stand ready to help return our community to a sense of normalcy, including bringing back all our employees as quickly as possible.

We understand that our activity comes with risks and challenges. **At Marr Development, we have implemented a robust COVID-19 safety program that meets or exceeds all CDC and PA Department of Health guidelines.** We take the safety and health of our employees and customers very seriously and will not sacrifice anyone's safety for the sake of resuming operations.

When you contact Marr Development for service, you can rest assured that our employees have been screened daily for symptoms of the virus. If any symptoms are present or the employee has been in close contact with infected individuals, they will not return to work until they have met the CDC guidelines for self-quarantine. **Marr Development employees are trained to strictly observe social distancing and other recommended precautionary measures during in-home customer visits and service calls.**

Our office staff continues to work remotely and is here to answer your calls and address your requests. Our Bloomsburg office will remain closed for the time being, and personal meetings will be by appointment only.

We look forward to serving you today and in the future. **We commit to you that our usual high standard of quality will also include concern for the safety of everyone involved.** We're all in this together. Stay safe; stay strong! And, please, call us if we can help.

IN THE AREA SINCE 1989!
